CELPIP SCORE GUIDE

Listening & Reading

38 scored questions in each skill | Approximate ranges

CELPIP level	Listening Correct out of 38	Reading Correct out of 38
10-12	35-38	33-38
9	33-35	31-33
8	30-33	28-31
7	27-31	24-28
6	22-28	19-25
5	17-23	15-20
4	11-18	10-16
3	7-12	8-11
2	5-6	5-8
1	2-4	2-4
0	0-1	0-1

Why do the ranges overlap?

Questions differ in difficulty. CELPIP adjusts results across test versions, so the same number of correct answers can lead to different levels.

Example: 35 correct Listening answers appear in both level 9 and levels 10-12. This chart cannot predict an exact result or separate levels 10, 11 and 12.

Source: CELPIP-General Score Conversion Chart (Prometric, 2026). Checked 26 October 2026. The public Results page still uses the older M label for its lowest raw-score examples.
